About GZ Media

GZ Media is the world's leading manufacturer of vinyl records and a key producer of printed materials and luxury packaging. With over 70 years of history and production facilities in the Czech Republic, Europe, and North America, the company collaborates with major record labels, independent artists, and premium brands across the globe. Deeply rooted in its heritage and expertise, GZ Media continues to innovate—investing in cutting-edge technologies and sustainable solutions. Through its charitable fund, GRAMOFOND, the company supports technical education, local communities, and non-profit organizations.

The Print & Packaging division has a rich history at GZ Media. Printing, print finishing, hardcover book production, and rigid box manufacturing are carried out in our four dedicated factories in the Czech Republic. Paper bag production was recently launched at our newly opened facility in Wisconsin, USA. We work with a wide range of brands and leading companies from various industries—from music and video entertainment to consumer electronics, cosmetics and beauty, and the wine and spirits' market. Our production is driven by innovation, inspired by leaders across customer segments, with a focus on volume flexibility, material versatility, and cost efficiency.

At GZ Media, we are equipped to handle even the most demanding customer projects thanks to our industry-leading customer service. We offer complete solutions, a personalized approach, and flexible scheduling to meet and exceed customer expectations.
